AUTHOR'S GUIDELINES FOR MANUSCRIPT PREPARATION

International Journal of Trends in Pharmacy and Life Sciences (IJTPLS) accepts research and review article in pharmaceutical and biological sciences. The manuscript would be considered under the specific branches of Pharmaceutical and biological sciences.

It is essential that authors prepare their manuscripts according to the instructions/specifications listed below. The length and effectiveness of the peer review process will largely depend upon the care taken by authors in preparing their manuscripts. Therefore, authors are strongly encouraged to read these instructions carefully before preparing/submitting a manuscript for publication.

Please read the following instructions carefully and for any questions, please contact at ijtplseditor@gmail.com

Page format: Manuscripts must be prepared as word processing documents on A4, or Letter size paper, leaving a liberal margin (0.5cm) on all four sides. The manuscript should be typed double-spaced throughout including references and tables. All figures and tables should be in the text and one additional copy given on a separate page.

Fonts: Times New Roman and font size should be 12.

Tables: Tables should be numbered consecutively using Arabic numerals and should be in the text itself and should have an explanatory caption that should be as concise as possible. (**Table 1:**)

Figures and images: The figures and images should be clear, easy to read and of good quality. All the figures/images must be in the text and be numbered with Arabic numerals. (**Fig.1:**)

The manuscript should be in the following order:

Title page

Abstract

Keywords

Introduction

Materials and Methods

Results and Discussion

Conclusion

Acknowledgements (if any)

Title page

Title (short title)

The title should be relatively short but informative. If a long title is necessary, please prepare an optional short title.

Name(s) of author(s)

A list of all authors of the paper should be prepared. It should contain full name.

Name and address of workplace(s)

Authors' affiliations should be indicated in this section. Either endnote or footnote (endnote recommended) can be used to present additional information (for example: permanent, adequate postal addresses).

Personal e-mail address (es)

At least one e-mail address is needed. It will be used as the corresponding author's email address in all contacts with the authors.

Abstract

An abstract must accompany every article. It should be a brief summary of the significant items of the main paper. An abstract should give concise information about the content of the core idea of your paper. It should be informative and not only present the general scope of the paper but also indicate the main results and conclusions. An abstract should not normally exceed 250 words.

Keywords

List of all keywords proposed by the authors, separated by commas. Up to 5 key terms can be selected.
